

As part of an update to our security and access protocols, we have transitioned away from the Single Sign-On (SSO) integration for Blanco Rewards. Moving forward, you will need to log in using your **email address and a password** directly on the platform.

Please follow the instructions below to regain access to your account.

How to Log In

1. **Enter Your Credentials:**

In the login widget, enter your **registered work email address** in the username/email field.

2. **Set or Reset Your Password:**

Since SSO is no longer active, you will need to establish a direct password for your account:

- Click the "**Forgotten Password?**" link located below the login button.
- Enter your registered email address and click **Submit**.
- Check your inbox for a password reset email from blanccorewards@email-360insights.com.
- Follow the link in the email to create a new, secure password.

3. **Complete Login:**

Return to the login page and enter your email and your new password to access your rewards dashboard.

Password Requirements

To ensure your account remains secure, your new password must meet the following minimum requirements:

- **Length:** Minimum of 8 characters.
- **Complexity:** Must contain characters from at least three of the following groups:
 - Uppercase letters (A-Z)
 - Lowercase letters (a-z)

- Numbers (0-9)
- Special characters (e.g., !, \$, #, %)
- **History:** You cannot reuse your last 12 passwords.
